

Andy, Steve, Tim, Kevin, and ALL of the guys at Charlie's % House:

It is beyond words what I owe to the house! When I returned to KY from my sabbatical in Jacksonville, FL. I had four warrants for my arrest in Campbell, Boone and Kenton Counties. I turned myself into Kenton County and was released on an OR bond to home incarceration.

The problem was I had no home to go to. I started walking in Covington praying to God for the next step and Andy happen to be working on a car off Scott St. He told me that I was welcome to come back to the house and get right with God and change because that is what it is really about. I moved back into Charlie's 3/4 House on 09/15/10. I had a pair of camo shorts, a t- shirt, and jail slides. I also had three warrants left to take care of all combined with about 4 months of sobriety.

While at Charlie's 3/4 House I took care of all my legal obligations that were a direct result of my drinking and drug use. I get drunk and do crazy shit like ask married women to marry me, take them to other states, print my own payroll checks, and then go cash them at banks (They have cameras idiot)!

Anyway, I focused on God, AA, the steps, and took an active role in my recovery. By doing this I now have 9 months of sobriety, a small piece of a conscience, some sanity, serenity, and a foundation for a program that by God's grace will keep me sober today and in the future. The guys here at Charlie's 3/4 House are the best group of drunks that I have ever had the pleasure of knowing. This is my family!

When I'm down and out I have never been turned away from Charlie's 3/4 House, Andy has given so many chances.

Well in September of 2010 it saved my life!

I owe my life to this facility and the guys that live here. I learned how to live life on life's terms and just keep doing the next right thing. I found a God of my understanding and talk to him.

It wasn't all peaches and cream. I am not perfect, I made some mistakes along the way, but I did not have to drink!

THANKS TO ALL THE GUYS AT Charlie's 3/4 House for helping me to stay sober through some of the toughest times of my life! Thanks fellas!

Thank you Andy for believing in me when nobody else would!

Believe it or not I actually listened to all the suggestions that you gave about true sobriety and I am a long way off from that true physic change you talked about that occurs at 5-7 years, but I am well on my way because of you and this house.

I choose to keep coming back today!
